GRADE LEVEL ACADEMIC DEMAND
Name and Differentiate the Role of an Author and Illustrator

Linguistic Demands: The following are examples in English that may vary based on the language of instruction. In the first three levels (entering, emerging and transitioning), students can approach these linguistic demands in the new and/or home language.

- Use words and phrases to name the author and the illustrator of a text (e.g., the author is ____; the illustrator is ____).
- Use words and phrases to associate the role of an author with writing (e.g., authors write).
- Use words and phrases to associate the role of an illustrator with drawing pictures in a book (e.g., illustrators tell stories with pictures).
